

Summer 2022 Job Opportunity in Jacksonville, Florida

JWLA Student Internship at Jacksonville Area Legal Aid PAID (part-time)

ABOUT JWLA AND JALA

The Jacksonville Women Lawyers Association's (JWLA) mission is to actively promote gender equality in the legal profession, judiciary, and community at large. An important part of fulfilling this mission is mentoring law students to succeed in their careers. This student internship offers critical legal experience for a law student, while also providing needed legal services in our local community.

Jacksonville Area Legal Aid (JALA) is a 501(c)(3) non-profit organization that provides civil legal services to low-income people in northeast Florida. JALA provides full representation in a broad range of substantive areas including, for example, consumer, family, housing, immigration, landlord/tenant, public benefits, and community development. Interested students may learn more about Jacksonville Area Legal Aid at www.jaxlegalaid.org.

JOB DESCRIPTION

Law student interns provide assistance in a variety of ways that increases JALA's capacity to serve the underserved and vulnerable. Depending on the needs of the substantive units, interns may be involved in client interviewing both in person and by phone; managing cases and learning to use the electronic case management system; identifying legal issues and determining relevant case facts. Interns may assist with research and data analysis. They may accompany attorneys to court and draft documents. Certified Legal Interns (CLIs) may have the opportunity to advocate for clients in court with attorney supervision. Interns gain a good understanding of public interest law and poverty issues. The selected student will be an employee of JALA; all hiring and employment decisions will be made by JALA.

As part of the internship, the selected student will be expected to submit to JWLA three (3) write-ups of their work at JALA (while maintaining client confidentiality) and photo(s) for publication on the website, social media, and the newspaper.

JWLA is a chapter of the Florida Association of Women Lawyers (FAWL). Students are not required to be members of JWLA to apply, but preference will be given to students who are FAWL members. Learn more about JWLA membership at www.JWLA.org and FAWL membership at www.FAWL.org.
